Our Summer Day camp is an organized, high energy, fun-filled camp. Our program is structured with many opportunities for participants to take part in sports, arts and crafts, theater, game-playing and field trips. Each afternoon extended day campers can make choices about which activities they'd like to take part in. Participants are grouped by grade for most of the day, but do interact with other campers on a regular basis. When campers are grouped together, generally we group them as K-3 graders and 4-5 with 6 graders on their own. Throughout the summer, the participants can expect scavenger hunts, water games, organized special events including a Campers Indy 500, Kennebunk Olympics, a talent show, and much more!
