

Information Mission Statement

The Kennebunk Parks and Recreation Department is committed to promoting and providing our community residents with outstanding service, recreational programs, parks and facilities that create leisure opportunities in a safe and healthy environment which meets the needs of participants and enhances their quality of life.

Volunteers: Volunteers are essential to this department. They enable us to provide a much larger program format at a considerable savings to the community. Volunteers in turn receive hours of enjoyment in an activity or program in which they have a strong interest. The department is always looking for more volunteers for special events and field trips, to set up programs, or for a program they might like to start. Please help us set up a volunteer list by contacting the department and then by giving a few hours of your time to a very worthwhile program or activity. Please be advised all volunteers must fill out a volunteer application and go through the interview process before being considered to volunteer for any program.

Check your receipt at time of registration and prior to participating in a program: Participants may only participate in the time slot, day, and/or session that they have registered for as printed on their receipt. Please understand often times programs fill to capacity and we may not be able to change your time slot, day, and/or session after leaving the office, regardless of a change you would like made or an error that you would like corrected.

Program Times: It is very important that parents not only know the time a program begins but also what time it is over so that arrangements are made to have their child picked up on time. The recreation staff is paid only for the scheduled hours of a program, so if you are late the instructor who must wait with your child is on his/her own unpaid time. The department charges a late fee to any parent or guardian who is late picking up a child. Please be conscious of this and respect the private time of our staff, most of whom have other jobs or personal matters to which they need to attend.

Late Fees: 10-15 minutes \$10, 15-30 minutes \$15, anything over 30 minutes is \$30. If the participant's parent, guardian or adult approved to pick up the child is late in picking up their child 2 times throughout the duration of the program and/or more than 40 minutes late at any time, a meeting will be set up with the director to discuss if the participant will be allowed to continue the program. The participant will not be able to participate in the program until this meeting has taken place. Payment of late fees is expected at the time of pick-up. If we do not receive payment at time of pick-up, it will be charged to your account and must be paid in order to register for any further programs.

Schedule Times: The department reserves the right to cancel or rearrange any of the programs listed. Refunds will be issued if a program is canceled or a change does not fit your schedule.

School Facilities: Please be aware that R.S.U. #21 has priority over all school facilities. This may possibly cause recreation programs to be canceled or a time/location change. Should this happen, we will make every effort to contact participants.

Programs for the Disabled: The programs listed in this catalog are available for all to participate. If you or your child have a disability and are not sure whether your needs will be met in any program or activity, please contact the director. We may be able to adjust the program to meet your needs or find another to suit you.

American with Disabilities Act:

In accordance with Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990, the Town of Kennebunk invites you to identify any physical or mental disability or behavior that would preclude you from fully participating in the Kennebunk Recreation programs. The Town is fully committed to complying with the requirements of the Acts set forth above. In this regard, the Town, to extent required by law, will provide reasonable accommodations to participants who require them in order to participate in the program. Individuals with disabilities are not required to self-identify at any time. However, the Town is only required to provide reasonable accommodations for known disabilities. The Town is not required to search medical files in order to determine the existence of a disability. **If your child needs a reasonable accommodation(s) in order for your child to participate in our program, you must contact the office a minimum of 1 week before the program.**

Discipline: If your child misbehaves or does not adhere to the department's rules and regulations and/or is not listening to our instructors while participating in any of our programs a written warning will be issued. Written warnings must be signed by the participant's parent or guardian. Written warnings are kept on file at the office and are cumulative. A copy of this written warning will be forwarded to the director for review and possible disciplinary action which includes any or all of the following: Conditional Participation; Suspension Single/All Program(s), Expulsion; Single/All Programs(s), and/or Restitution. Any disciplinary action will be imposed without program fee refunds. **Please be advised that the department reserves the right to remove a participant from a program at any time during the course of the program if the department feels that the participants actions are a threat to the well being and safety of the other children and/or staff.**

Smoking Policy: In compliance with Maine State Law, there will be no smoking allowed while participating in any Recreation program/activity or while in any recreation facility. The Kennebunk Recreation Department does hereby declare that its recreation facilities are tobacco-free zones and specifically restricts the use of any tobacco product, including, but not limited to cigarette, cigars, and chewing tobacco, on, in, or at any athletic facility, playground, or assembly under the authority of the Town of Kennebunk Parks and Recreation Department.

Find A Mistake? It is our policy to include something for everyone. Since some people like to find errors, we leave a few in our catalog just to meet this need. Please be aware that we reserve the right to correct and change any of the information in our catalogs, flyers or any other print generated from our office.

Pictures: We randomly choose pictures of adults and children who participate in our programs to be printed in our publications and to be sent out to area publications. If you or your child do not wish to have his/her picture published, please be sure to let us know immediately at registration.

T-Shirts: Please be aware that you must be registered at least 10 days prior to the program start date to receive a t-shirt, if the camp/program includes a t-shirt.

Vandalism: Each year Kennebunk taxpayers must cover the cost of repairing or replacing park facilities and vegetation that has been willfully destroyed. Since parks are unsupervised, it is difficult for park staff to catch the vandals who cause this damage. You can assist by reporting any acts of vandalism to the police at 985-6121.

Suggestions: If you have a suggestion for a future program or wish to be an instructor or coach for one of our programs, please contact the Kennebunk Parks and Recreation Department at (207) 604-1335.

Sponsorship: The Kennebunk Parks and Recreation Department is always in need of sponsors for our sport programs and special events. If your business, company or organization is interested please contact our office.

The fee for these sessions are \$65 for one child and parent and \$5 for each additional child. Other parents, older siblings and grandparents are welcome to attend for free. Signing is most successful when it is a family affair!
