

Teen Extreme Camp Parent & Camper Information

What Is Included?

Explorer runs from 8:00am to 3:30pm Monday through Friday for 8 weeks (half day on the last day of camp on August 18th).

Camper in this program will watch PG13 movies and will be in small groups on field trips and our staff will be on hand when needed.

Things to Bring:

All campers will need to wear clothes they feel comfortable moving around in. Please bring closed-toed-shoes (sneakers or something similar) each day. Everyone will need to pack enough food and drink for the day. Campers will also need sunscreen, bug spray, and they can bring a small amount of money if they wish.

Cell Phones and Other Device

Campers can bring cell phones and other devices. They can access their phones/devices during designated down time and on long bus trips where they will be allowed to listen to appropriate music and play appropriate games. During the hours of camp campers will be asked to remain off social media. Campers will be allowed to carry their phones on them during trips to be used as an additional safety measure. We would ask that campers check in with counselors before making any outgoing calls or receiving any incoming calls.

Camper Expectation

We wish to treat our campers as young adults and hope they will live up to the responsibilities that come with this. If staff needs to talk with campers regarding their behavior, a warning will be issued. If the camper's problem behavior continues, parents will be called and told the camper is on their final warning. If the problem behavior continues, parents/guardians will be told to come and pick the camper up. The Camper, parents/guardians, and the program co-coordinator will have to meet before the camper can come back into the program.

Communication with/From the Camp Coordinator

Matthew Duplisea is the Program Coordinator for Explorer Camp. If you have any questions or concerns about the camp please call or email. He will do his best to get back to you ASAP. Please make sure you have an email address on your Kennebunk Parks & Recreation account. Any changes to our schedule will be emailed out. Email:
