If you would like a copy of your receipt mailed to you please include a self-addressed stamped envelope. We do not send or call with confirmations for mailed in registrations. We will notify you if the program you are registering for has been filled, cancelled or changed. Mailed in registrations are processed AFTER walk in registrations.

Or:

Come to our office located on the 3rd floor of the Kennebunk Town Hall during normal business hours. We are sorry, but the department cannot accept telephone registrations or reservations. All parents/guardians must sign a release waiver located on our registration form or the release waiver on our payment receipt to sign up for a program. Friends or other family members may NOT register another person without a registration form signed by a child's parent/guardian or by the other adult wishing to participate. **Please be aware:** Please be aware that we do not allow person(s) to be dropped off or attend a program without being registered prior to the program start date. Due to liability concerns if a person arrives at a program and is not on the participant list that person will not be able to participate until such time as proof of registration is given to the program coordinator.

Non-Resident Fees:

There is an additional fee of \$5 per program per participant unless otherwise stated for anyone not residing in Kennebunk. In some programs this fee may be higher.

Assistance:

Fees are charged in almost all of our program/events to help offset the cost to the town's taxpayers. If for any reason you are unable to pay the cost of a program/event, please contact the Recreation Director to work out a payment agreement or to receive assistance. Any payment agreements must be paid in full prior to the start of the program for the participant to attend. Payment agreements are available to Kennebunk Residents only.

Participant Age/Grade:

All school age children (Grades K-12) are required to be the age/grade requested by the start of the program or turning the correct age during the length of the program to be eligible to participate. All others are required to be the age/grade requested by the start of the program. No exceptions will be made.

Prorating cost for non-contractual programs that are already in operation:

If a participant would like to join a program after it has started and the program has space available the department will prorate the fee on a program by program basis; however, a \$5 late sign up fee will be added. Please be aware this does not include: Summer Day, Teen X-Treme, Pee Wee Explorers or one-day participation.

Refund Policy:

In order to be considered for a refund, the participant and/or parent/guardian must put the request in writing via email or fax on the day they would like to withdraw from a program. Please be aware checks can take a minimum of 3 weeks to be processed and will be mailed to the address we have on file.

Due to the processing time and expense associated with program refunds, there will be a \$5 handling charge per program, per person which will be deducted from the program refund.

The Parks & Recreation Department will grant refunds by check for programs and activities under the following conditions:

1. When there is a conflict between the schedule of a program and the participant, and the participant has not attended any class whatsoever; a full refund can be obtained from the department, except in the case of a contractual program or it causes the department to cancel the program or comes at the expense of the Town of Kennebunk. This refund request must be made no later than the start of the programs second class at which time Guideline 4 will be in effect.
2. Should the participant have any injury or sickness that prevents him/her from completing the program, he/she will be entitled to a full refund if he/she has not attended any sessions, or a pro-rated refund based upon the number of sessions that will not be attended, except in the case of a contractual program.
3. When the participant attends the first day of the program and realizes he/she is not interested or can not afford, for example, additional costs of clothing, equipment, etc., then a full refund will be given, except in the case of a contractual program or it causes the department to cancel the program or comes at the expense of the Town of Kennebunk.
4. No refund will be given after the start of the second program's class, except for Guideline 2.
5. Contractual Program Refund Policy: Contractual programs are programs where a verbal or written contract has been made by this department with an individual or business to run the program. Refunds will be granted to contractual programs only in the event that the issuing of this refund does not come at the expense of the Town of Kennebunk. All refunds must be requested at least 3 working days prior to the program start date. A refund will not be granted if the department has already issued the program payment to the contracted business, or the issuing of the refund puts the program under the minimum number of participants needed to run the contracted program. In the event of a one-day program, a refund request must be made a minimum of one business day, excluding weekends and holidays, prior to the start of the program.
6. Summer Day Refund Policy: In order to be considered for a refund, the parent/guardian must put the request in writing via email or fax on the day they would like to withdraw from the program. Once the request has been received, a meeting with the Recreation Director will need to be scheduled in order to determine if a refund is possible.
7. Teen X-Treme Refund Policy: In order to be considered for a refund, the parent/guardian must put the request in writing via email or fax on the day they would like to withdraw from the program.
