

COS is partnering with the three Town General Assistance Offices to provide nutritious food for children when school lunch and breakfast are unavailable on weekends, school holidays, and summer break. This new program encompasses the previous backpack and summer lunch programs and is now called the **COS Food4Kids Program (F4K)**. All food is provided to children free of charge.

The program is intended to help children in families having a difficult time keeping up with the costs of buying food, but all children are eligible for this program. Food typically includes:

Breakfast Items, Sandwich Items, Soups & Stews, Canned Meats, Tuna & Vegetables, Pasta, Juice & Drinks, Snacks & Desserts, and Breads

Please complete the registration form on our website www.coskennebunks.org. We are asking parents interested in signing up for this program to do so no later than Thursday, June 2, 2022. The start date of the program and first delivery to your “town drop-off location” will be **Thursday, June 23, 2022**. Contact your GA Admin if you need assistance to sign up or missed the deadline date and still want to participate.

If you have questions or need additional information please contact your local GA Admin:
